

Ministry of Science
and Higher Education
Republic of Poland

Lodz University of Technology

Women in Science Tradition of Maria Skłodowska-Curie

September 29-30.09.2016
Łódź, Poland

Crossing the glass ceiling

W. Kaczmarczyk

Secretary of State, The Chancellery of the Prime Minister of Poland,
The government plenipotentiary for civil society and equal treatment, Warsaw,
Poland

Constitutional aspects of promoting equality between men and women in science

dr Adam Bodnar

Commissioner for Human Rights, Warsaw, Poland

Woman in the totalitarian system (Poland 1944-1956) and memory of the contemporary Polish state

dr T. Brzustowski

The Chancellery of the President of the Republic of Poland, Warsaw, Poland

Light for Life: Optics in Biomedical Engineering

prof. H. Podbielska

Department of Biomedical Engineering, Faculty of Fundamental Problems of Technology, Wrocław University of Science and Technology, Member of the Advisory Board of The European Association for Predictive, Preventive and Personalized Medicine EPMA, Wrocław, Poland

Women in science - perspective of National Science Centre

prof. M. Kossowska

Member of the Board of the National Science Centre Krakow, Poland

Empowering women in the academic world

prof. L. Kamerlin

Science for Life Laboratory, Department of Cell and Molecular Biology, Uppsala University, Uppsala, Sweden

Struggling for success - female researchers from the perspective of the Foundation for Polish Science

dr M. Łazarowicz-Kowalik

Head of Programme Evaluation and Analysis Section, Foundation for Polish Science, Warsaw, Poland

Structure-activity relationships in carbohydrates revealed by their hydration

prof. M. A. Ricci

Dipartimento di Scienze Università Roma Tre, Roma, Italy

How to support girls and women in STEM? Polish Success story

dr B. Siwińska

Perspektywy Education Foundation, Warsaw, Poland

Success stories of women researcher in European plant pathology and women carrier enhancing schemes

prof. E. Łojkowska

Department of Biotechnology Intercollegiate Faculty of Biotechnology University of Gdansk & Medical University of Gdansk, Gdansk, Poland

Accelerating the development of Science, Technology and Innovation -

dr hab. A. Szemik-Hojniak

Faculty of Chemistry, University of Wrocław, INWES-ERI Secretary General & Board Director, Wrocław, Poland

Does science remain sexist?

prof. K. Pernal

Molecular Physics Group, Institute of Physics Lodz University of Technology, Lodz, Poland

How ultrafast lasers and Raman imaging reveal new expanses in cancer research and applications. Why are there so few women in leadership roles of Science ?

prof. H. Abramczyk

Laboratory of Laser Molecular Spectroscopy, Lodz University of Technology,
The President of the Polish Fulbright Alumni Association, Lodz, Poland

Molecular spectroscopy in biomedical sciences: a domain of women?

prof. M. Baranska

Raman Imaging Group, Faculty of Chemistry, Jagiellonian University, Jagiellonian Centre for Experimental

Maria Skłodowska-Curie Museum in Warsaw and 150th birthday anniversary celebrations MSC2017 "Medicine-Science-Culture"

dr I. D. Madura

Polish Chemical Society, Warsaw, Poland

Applying nuclear physics to the treatment of cancer today and tomorrow

dr hab. A. Wysocka-Rabin

Acceleration Theory and Computational Methods Laboratory in National Centre for Nuclear Research, member of Women in Nuclear Polska, Świerk, Poland
